**HORD'S HILL BIG FIGHT TUESDAY NIGHT**

Vivid and hot pictures were given in Police Court yesterday of the free fight for all fight on Hord's Hill the other night when Lucille, Della Jackson and Clarissa Gray, three noted colored damsels of this city started a hot controversy by slinging a brick through the window where their two fickle gentlemen friends Pat and James Hicks were courting two other ladies of dusky hue. The five of them engaged in a "no man's land" contest in which whiskey bottles, bricks, rocks, etc., served as ammunition.

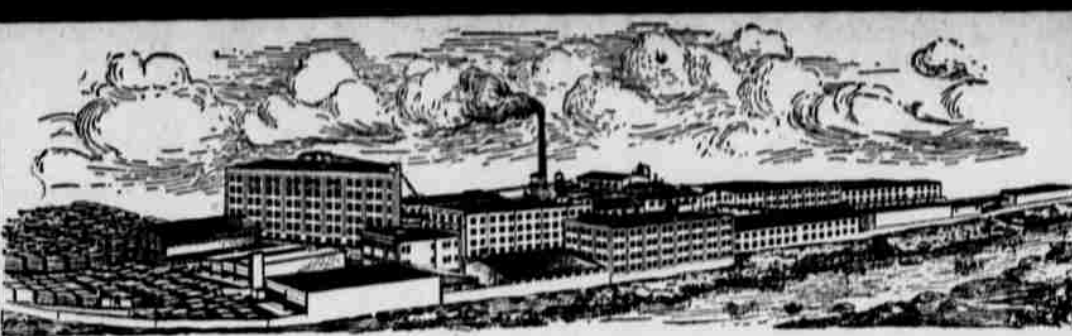

The police later in the evening raided some camp cars near the C. & O. depot and arrested three women and two men. They were arraigned before Judge Whitaker on the charge of breach of peace and disorderly conduct. They plead guilty to the breach of peace. Lucille Jackson and James Hicks were fined \$5.50. Della Jackson and Clarissa Gray were fined \$15.50. In default they were taken to the county jail and were sentenced to work out their fines on the rock pile.

**ONION DAY SATURDAY — GET YOUR SACK**

The M. C. Russell Wholesale Grocery Co. will give onion sets free to all the poor people Saturday as long as the onion sets last. Here is your chance to get in a good crop of onions and cheat the high cost of living and add to the food production of the country without it costing a cent for seed. Large amounts of onions grown away from here are shipped into Maysville every year when this country could raise them for the planting. Mr. Russell wishes to give every person too poor to buy onion sets a chance to grow onions and save this expense, so he is giving good onion sets of different varieties away worth over 50 cents a gallon. The only requirement that is necessary to get them is to furnish your own sack and plant them after you get them.

**PUBLIC LIBRARY SHIPS 1,204 BOOKS TO SOLDIERS**

Miss Mary Eliza Richeson Librarian sent off a large shipment of books to the soldiers yesterday. 1,204 volumes were sent yesterday and 1000 more are to be sent tomorrow. This does not mean an end to the book campaign however, for as long as the war lasts books will be shipped, so as to provide the soldiers with new volumes. People are especially urged not to neglect the sending of magazines after they have finished with them, for it is by these and the newspapers that the boys "over there" can realize that the people back home are backing them to the best of their ability. So when you read a good book that you enjoy don't forget that some Sammy, who is fighting for you might enjoy it too.

The Knights of Columbus will meet tonight at 7:30 o'clock.

**FOUNTAIN OF YOUTH**

It is not a myth, but a reality and women may find it in perfect functional health. Women who want to grow old gracefully should guard against all organic weakness and derangements, and at the first symptom of such conditions resort to Lydia E. Pinkham's Vegetable Compound, nature's own root and herb remedy, to restore health. For three generations women of America have depended upon this successful remedy and have found no other medicine to equal it.

About 750,000 bushels of coal left Pittsburgh yesterday for Louisville in charge of eight towboats, the first shipment from that port for the south in many months.
